

# Le Bijou, Santa Monica

Le BIJOU, a true Santa Monica jewel, north of Montana Ave. Inspired by the sophisticated Belgian-Country style now favored by Parisians, this celebrated work by Denise Castro-Bran, AIA, is finished with Belgian Blue stone details, 17th Century limestone floors, extraordinary ironwork & refitted antique doors. In the heart of this magnificent house rises an impressive stone staircase, which leads to 2 en suite bedrooms. The living room opens through twin sets of iron doors to a large cobblestone courtyard, gracious fountain, south-facing garden & exterior office. Upstairs bedrooms overlook the courtyard through double doors & iron balconies. A first floor full guest apartment also leads to the courtyard. Chef's kitchen includes La Cornue stove & blue stone counters. European details finish this room w/ the warmth & style that is felt throughout this unforgettable house. 3 or 4 bdrms, 4.5 baths, 2 car garage + attached exterior office w/ 1/2 bath.
